

The Past Year in the Nevada City Area, Old Homes

Here we look at home sales in the Nevada City area, only for homes built before 1966. Some 49 sold properties are represented, which includes REOs, Short Sales and normal sales. REOs and Short Sales have stayed below 10%. At lower left we see the prices for each category. Inventory analysis, with the number of sales and listing each quarter, is shown at lower right. 06/24/2015.
