

The Past Year in N and W Auburn

Here we look at home sales in North and Western Auburn, Areas 12306 and 12307. This includes REOs, Short Sales and normal sales. Above we see the price per SF over the past year. The slight decrease is due in part to larger homes being bought. At below left we see the percentages of REOs and Short Sales. They have stayed below 20%. At lower right we see the prices for each category. 06/25/2015.
