

The Past Year in the Colfax and Weimar Area

Here we look at properties in Area 12303, in Colfax and Weimar. The price per SF has increased a bit but the overall sale price has remained about the same. Larger homes have been sold through the year. At below left we compare sales price and the number of sales, they seem to track well together. At below right we have the inventory analysis. 08/18/2016.
