

The Past Year in Newcastle

Here we look at home sales in Newcastle. Included are normal sales, short sales and REO (foreclosed sales). We see that when measured as price per SF, there was a decline followed by a recent increase, some of that is due to the sizes of homes sold. At below left we see sale prices for REOs, Short Sales and normal sales. Inventory results are at lower right. 5/14/2015.
