

The Past Year in Lake of the Pines

Here we look at home sales in Lake of the Pines, using only MetroList data and non-lakefront properties. Included are normal sales, short sales and REO (foreclosed sales). The price per SF chart indicates a slight increase over the past year. At below left we see the prices for each category, with a small percentage of REOs and Short Sales. At below right we see the inventory analysis, with a recent rebound in the number of sales (blue bars). 05/28/2015.
